MODEL HANDBOOK

Green Living Club Model at Women's Associations

Đà Nẵng City

2024

OVERVIEW

The Living Green Club model at a Women's Union Branch in Đà Nẵng City, guiding how to establish a club and issue its operating regulations at the local level.

Living Green Club

When each Living Green Club is established, it must have an establishment decision and build operating regulations appropriate to the local situation, according to the following appendices:

- **Appendix 1:** Decision to Establish the Living Green Club and recognition of the Club's Management Board
- **Appendix 2:** List of Living Green Club members
- **Appendix 3:** Operating regulations of the Living Green Club
- **Appendix 4:** Official letter introducing the newly established Club
